**Effective Date:** July 1, 2009.

**Explanation of State Expenditures:** This bill requires child care ministries to submit copies of injury reports to the Division of Family Resources (DFR) if an injury to a child requires medical attention from a dentist, a physician, emergency room personnel, an ambulance attendant, or other medical personnel. This will increase DFR's workload to the extent they receive notices from child care ministries. Actual increases in workload are expected to be minimal.
